Awards

The OHSU Foundation Board of Trustees designated funds to Care Management Plus: \$67,000 from the Elizabeth N. Gray Fund of the OCF and the Leon and Esther Feldstein Fund of the OCF. The support will help CM+ to continue to work with underserved communities across the state and through the nation, and aid in helping others to take advantage of the opportunities for positive change in primary care and in their communities.

Additional Educational Opportunities

The Portal of Geriatric Online Education (POGOe) is a free public repository of a growing collection of geriatric educational materials in various e-learning formats, including lectures, exercises, virtual patients, case-based discussions, simulations, as well as links to other resources.

POGOe's mission is to promote geriatric education through the provision and encouragement of free exchange of teaching and assessment materials that support the fields of geriatrics and gerontology.

Their website is www.pogoe.org.
